Dear Sam,

Please coordinate with Citco to ensure the transactions are processed as agreed with the client. You may want to start by checking with Citco if they have received the red form for the redemption in Sentry for 391 shares from BBH - custodian of Credit Lyonnais Miami. The 90% pre-payment needs to be invested in Chester for value date Sep 30, and the remaining 10% will be subscribed for value date Oct 31.

If you have any questions, please feel free to ask.

Many thanks,
Carla

Dear Eduardo,

Further to our telephone conversation of today, we are pleased to introduce **Fairfield Redstone Fund Ltd.**

This Fund employs a long/short equities investing approach with a focus on small to mid-sized growth companies. Given the mix of a strong investment management team and an annual standard deviation of more than 7%, we believe that this product would appeal to clients who have an appetite to seek returns by undertaking slightly more risk in their portfolios. This Fund is currently closed for new and existing investors.

The following documents are enclosed for your reference:

- Marketing Book
- Latest Tear Sheet
- Offering Memorandum
- Due Diligence Questionnaire

The estimated YTD return for the Fund for August 31, 2005 is + 6.02 % (USD, Non-Hot Issues class).

As promised, as soon as we can confirm whether the fund approves our subscription request of \$200,000 in the Fund, we will inform you accordingly. As we confirmed with you over the phone today, we will be able to provide a pre-payment for 90% of the redemption proceeds of your redemption of \$400,000 in Fairfield Sentry Ltd. for value date September 30, 2005 - in order to be re-invested in Chester Global Strategy Fund Ltd. and Fairfield Redstone Fund Ltd.

We hope the above information is useful to you. Please feel free to contact us should you have any additional questions.

Best regards,

Carla Castillo
